# MAMMOTH LAKES JAZZ JUBILEE

## From The Mayor

On behalf of the Town of Mammoth Lakes, let me welcome all of you to the Sixth Annual Jazz Jubilee. I invite you to enjoy the mountains, clean air, blue skies and majestic pines. Most importantly, I hope you enjoy the music of this year's Jazz Jubilee, as well as the hospitality of all the people of Mammoth Lakes.

Have fun and enjoy *all that jazz*.

Kirk Stapp  
Mayor of Mammoth Lakes

## Welcome to Mammoth!

As we enter our sixth year, it amazes us that the Jubilee has grown so much from the two bands and 400 people who came to see them in 1989. Naturally, we owe a debt of gratitude to those of you who purchase the badges; and to those who make the many contributions we receive each year, all of which help pay the bills. We thank each and every one of you!

There are many, many people who make it possible to put on this event and we have tried to thank them elsewhere in this program. Any who we have missed, please accept our apologies; but with 350-plus volunteers, 54 chairpeople, special donors and sponsors and almost the entire Town of Mammoth Lakes, we are bound to miss someone.

We are proud to have one of the top band line-ups in the

country. Ten of them are returning from last year, and we have five who are new to Mammoth. We think **Hot Cotton**, **Swing Savant**, **Mardi Gras**, **Fulton Street** and **Wooden Nickel** are great additions to our already strong line-up. And -do we have singers! Come and check them out! We try to have bands that play different styles so that you will have a variety of listening and dancing experiences.

These 15 bands have been chosen from over 200 bands that have applied to play here.

Add all of these musical ingredients together with our beautiful mountain setting, and we know that you will have a very enjoyable experience at our Grand Jazz Party.

Thanks for coming.

## OUR PHILOSOPHY

# Music + Setting + People = Unforgettable Experience

Any real jazz festival can't be a collection of concerts. It must be a thing unto itself, an entity beyond the individual performances, beyond the individual programs, and greater than the sum of these.

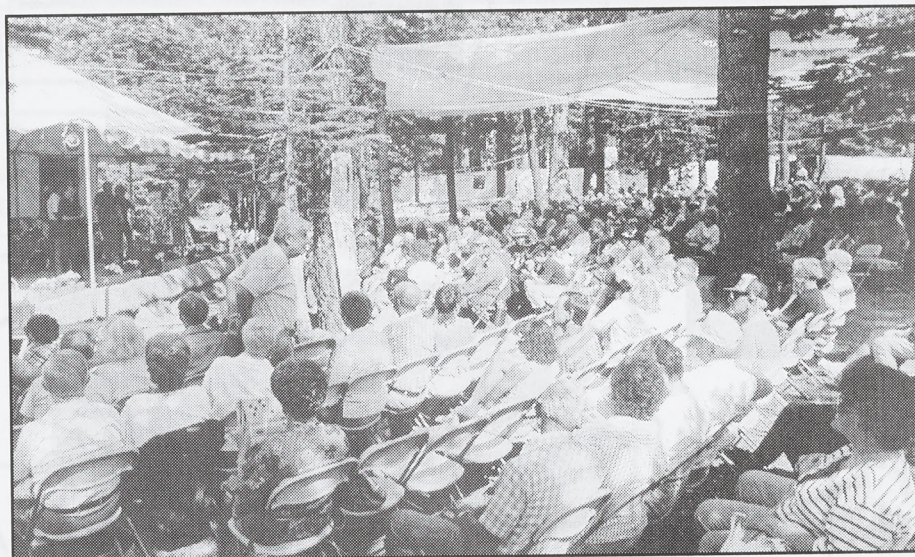

The point of a festival is to be festive. To give and receive joy and to present a wide diversification of styles and types of this music in as festive and pleasant surrounding as possible.

To be successful as a festival, the grounds, the concerts, the musicians, the patrons and the atmosphere all have to jell together to be something more than one can find elsewhere.

This is what has happened in Mammoth Lakes.

A jazz festival should be the best possible combination of enjoyment one can devise. Organization and improvisation, lyricism, strength, euphoria and the blues, individuals and groups, the scream, the cry and the whisper. It should all be there for you.

A festival, like music, is to be experienced. It is interesting, but not essential to know things about music and about the

musicians. The music is enough by itself; so is the setting, so too are the people there.

All together, these make up one of the

best things about being here, even if it only happens once a year. **MLJ**

That's what will be happening from 3-7 p.m. on **Thursday, July 14**, at the Woods Site. There will be plenty of food and drink available for purchase. Three bands are being showcased to give the audience a taste of the type of event the *Jazz Jubilee* really is — family fun for all ages. A Jam Session will be from 6-7 p.m.

Two more free performances will be held at two different sites later that evening beginning at 9 p.m. One is upstairs in Whiskey Creek by **Tom Hook** and **The Black Dogs**. The other is at Grumpy's with the Wooden Nickel Jass Band. Audiences can be sure that both bands will rock the joints. (Again, these are just some of many free — no badge required — performances.)

As in last year's *Jubilee* — A *Pianorama* and *Banjourama* will be two of the many special events taking place throughout the festival. The *Banjourama* is scheduled for **Saturday, July 16**, at Nevados and the Matterhorn restaurants from 9:45-11:45 a.m., offering a no-host brunch. The *Pianorama* will occur inside Whiskey Creek July 16 from 1-6 p.m. Excellent food will be available.

Our *Brass Blast* will continue

this year, so don't miss this great horn event at the Woods Site on **Saturday, July 16**, from 4:15-5:15 p.m. Later that night, a *Big Band Bash* will feature members from several bands at the Woods Site at 9:30 p.m.

*More free shows!* The **Night Blooming Jazzmen** from Claremont, CA, will be doing a free hymn/gospel sing service at the Old Church Site, across from Whiskey Creek in the tent. It will be held **Sunday, July 17**, from 8:45-9:45 a.m. No badge is required for this event.

A *Tribute to Swing!* **Sunday** afternoon still has plenty in store for Western Swing lovers with **Igor's Western Swing Tribute** from 3-4 p.m. at the Woods Site.

**The Black Dogs** will once again be doing what they do best — entertaining a crowd — on **Sunday** evening. This time they will be performing at 8:30 p.m. at Grumpy's, for the "Good-bye to the sixth Mammoth Lakes Jazz Jubilee" party (no badge is required). Come and join the fun!

## FIRST AID

**\*The First Aid Station** will be set up near the Woods Site on Minaret Road. If you have need of help, notify any Site Manager (wearing a red-and-white vest) and he or she will radio the nurses and/or paramedics on duty. Call 911 for all other emergencies in Mammoth Lakes.

## FOR YOUR INFORMATION

**\*Have a fun time** and please cooperate with the following guidelines to help make the Jubilee more enjoyable for all:

Because we are in a **HIGH FIRE-DANGER AREA**, there is **No Smoking** at all sites *except* in the designated areas — look for the signs.

**\*Be Careful** crossing all streets — use crosswalks. Be aware that Minaret Road is very busy, so try to stay inside the walking lane.

**\*Check the Area** around your seat before you leave so you don't forget anything.

**\*Lost and Found** will be located in the main ticket booth at the Woods Site.

**\*Recycle** cans and bottles in the marked trash containers.

**\*No Seat-Saving** once a set begins - not even with your seat cushion! We want to provide chairs for as many people as we can. After the performance has begun,

Site personnel have been instructed to seat all people without seats. (If one location is filled to capacity, please try the other Sites.) Indoor venues have limited seating. Early arrival is suggested.

**\*Those using Parasols or Umbrellas**, please be cognizant of the direction and sight-blockage it is taking.

**\*VCR Recorders** will be allowed in *designated areas only*. Elaborate tape recorders are not allowed. Small, hand-held audio-recorders are permitted.

**\*Dancing** on designated dance floors will be at the following Sites: Bear Pit, Canyon, Woods, Yard, Whiskey Creek, Church, RV Park and Grumpy's. Special black-and-white floors at the Woods and Yard sites are for children to dance. Please don't dance in front of the audience — everyone wants to hear and see the bands. Even though the spirit may move you, please do not dance on the sawdust or bare dirt — it kicks up a lot of dust and is hard on the musicians, as well as others.

**\*Shh!** — Please hold it down! If you must talk and socialize, please go to an "outer area" so you don't disturb people who are trying to listen.

**\*Restrooms** are provided at each venue. Look for signs or ask Site personnel.

**\*Parking** will require "common sense." It will be limited, so please use the *free shuttle*, walk or ride a bike. The Whiskey Creek lot, the Community Center lot and the lot next to Travelodge can all be used for off-street parking. There are no fees for parking, but please follow the directions given by volunteers and/or signs.

## \*MOST OF ALL, ENJOY!

This has been a community effort from the beginning, so please patronize our

food booths (most are run by local, non-profit organizations) and souvenir tables, as well as our town's restaurants and shops. (Be sure to look for deals throughout town for Jazz Jubilee Badge wearers.)

**\*State Liquor Laws** state that ALL beverages must be consumed in the venues. **"Drink it or Dump it"** is our policy; **NONE IN, NONE OUT**. Sorry, *coolers, thermoses, cans, bottles, sports bottles, etc.*, are not allowed to be brought into the Jubilee.

**\*Wooden Dollars** will be used as payment for food and drinks in five outdoor Sites only. (All indoors sites — Whiskey Creek, Grumpy's, Nevada,

and Mammoth Mountain RV Park — will accept CASH ONLY.) Please buy only the "Dollars" you need as there is a **No-Refund Policy**.

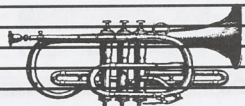

**\*DO HAVE A GOOD TIME, AND WE HOPE TO SEE YOU NEXT YEAR! MLJJ**

## Mystery Award

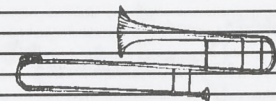

We invite our visitors to join us, the many members of our musical community, as we honor some very special local folk. We wish to bestow on them our fondest gratitude for their many years of a job well done!

Please join us between 5:45 and 6 p.m. at the *Woods Site* on Thursday, July 14, for this very special presentation.

## JAZZ JUBILEE NEWS & NOTES

### Lucky Duck Wins One Million Bucks

The Mammoth Great American Duck Race is offering a \$1 million first prize in their raffle supporting the local arts community. This may be the most valuable prize ever offered in a strictly local raffle in Mammoth Lakes history.

"Basically, people have more of a chance to win the big prize, the more ducks we sell," said Duck Race raffle organizer Flossie Duff. "Out of every 3,300 ducks sold, one duck is selected at random to win the \$1 million prize if it is lucky enough to cross the finish line ahead of all the other ducks. Selling a total of 10,000 ducks would make three lucky duckies eligible to win the big bucks."

Five bucks buys one duck; buy four and the fifth duck is free.

The High Sierra Musical Theater, the Mammoth Lakes Jazz Jubilee, the Music Society

of the Eastern Sierra and the Mono County Arts Council all benefit from sales of the raffle tickets. Call 934-3342 for information and location of sales.

### USC Film School

The USC Graduate School of Cinematography is making a documentary film of the **Mammoth Lakes Jazz Jubilee**. These students are taking this course to satisfy requirements for their Masters or Doctorate degrees.

Although based on the Jubilee and how a small town puts on a major event, the film will also feature the beautiful setting and surrounding sights of Mammoth Lakes. Professor Jack Oswald is in charge of the production and will be happy to answer any of your questions. You may also be one of the chosen few to be interviewed. We ask that you please cooperate and tell them why you love Mammoth.

## Jazzy T-Shirts

**Maybe Your Ticket to a Dual Screen TV, Skis, Maui Condo, Discman and More**

The Mammoth Lakes Jazz Jubilee '94 may hold your lucky ticket to many great prizes, if you pick up your **Jazzy T-shirt** raffle ticket before July 17. The Jazzy T-shirt raffle has generated excitement and prizes since early June, with gift certificates and merchandise from local merchants being given away each Sunday.

Come the festival's final hours, each entrant will be tossed back into the hat for the Grand Prize drawing of a Sony

TV with the extra picture window.

You can't win if you don't play, so be sure to buy your Jazzy T-shirt at the Woods Site T-shirt booth. Fill in the attached entry card and hand it to the Jubilee officials in the booth.

Even if your number is not called for the Grand Prize, there are many other great prizes to be won and, of course, a beautiful Jazzy T-shirt will commemorate the event. **MLJ**

# Local Students Join Jazzmen

Once again, the *Mammoth Lakes Jazz Jubilee* and some of its featured players will be working with George Vest, band director/music teacher for the Mammoth Unified School District, and Bill Dendle of South Market Street to hold an improvisation workshop for area high school students.

The workshop, scheduled July 13-14, has as its purpose to teach students the basics and philosophy of jazz improvisation through some intensive rehearsal and demonstration. The workshop is sponsored by the Jazz Jubilee.

Some of the guest clinicians expected to assist with the workshop are Ed Hull of the Blue Street Jazz Band, Bob Finch and Dave Murray of

## **Mammoth Lakes Jazz Jubilee Supports the Music Society**

Have you ever wondered who supports the music and drama programs in our local schools and town?

Well, the answer is the **Music Society**, a non-profit organization whose sole purpose is to provide instrumental and musical support to both the schools and community.

*A total of over \$8,000 has been given over the past 10 years.*

Aside from these generous donations, the Music Society also presents such featured local events as the *Messiah*. Also, the Music Society has contributed half the money needed to send two local students to the Jazz Camp at the University of the Pacific in Stockton at the end of June.

The group is led by Dan Koenig, president. Other officers are: Elliott Thompson, vice president; Suzanne Stokes, secretary; and Jeannie Clark, treasurer. Ellie Randol is the former president.

Membership applications and information will be available at the Music Society's sales booth at the Mammoth Lakes Jazz Jubilee. Hats, pins and seat cushions may be purchased at this booth as well. *MLJ*

Chicago Six and Mike Vax of Mike Vax's Great American Jazz Band. We wouldn't be surprised to see some members of the Wooden Nickel Jazz Band also stop in to help!

The culmination of the workshop occurs Friday, Saturday and Sunday, when the students get a chance to use what they've learned by performing as a group. Additionally, some students may have the opportunity to play with some of the professional bands during the Jubilee. The workshop and performances will be a great opportunity for the students to get a feel of what it's like playing jazz.

The student Youth Band will perform Friday, July 15, from 1-1:45 p.m. at the Yard Site and from 4:15-5:30 p.m. at the Bear Pit. On Saturday, July 16, the Youth Band will play from 10:15-11 a.m. at the Woods Site and from 5:15-6 p.m. at the Canyon Site. The Youth Band's final performance of the weekend is from 10-10:30 a.m. Sunday, July 17, at the Yard Site.

We hope you enjoy them!

## **Jubilee Sends Students to Camp**

This year, the Mammoth Lakes Jazz Jubilee and the Music Society of the Eastern Sierra were able to send two local students to the Jazz Camp at the University of the Pacific in Stockton. **Misty Larson** and **Jessie Martin** were able to attend the week-long camp, learning jazz techniques from some of the best — including Mike Vax, who is the camp's director.

The funding was made possible by the jacket raffles we've held at each of the last two years' events. "Racy," one of our souvenir vendors at the Woods Site, has donated a satin jacket each year, and we've sold raffle tickets for \$1 each. Look for a chance this year to once again contribute to this scholarship fund, and possibly win a beautiful jacket. *MLJ*

## The Indoor Jazz Venues

Several local bars and restaurants are getting into the jazz mode this weekend as proud participants of the sixth annual Mammoth Lakes Jazz Jubilee.

The more traditional-style jazz of the Jubilee could be perhaps better described as "Dixieland" jazz, as compared to the more contemporary style of, say, local resident Joe Sample — who, by the way, topped the contemporary jazz charts last year with his latest album, *Invitation*.

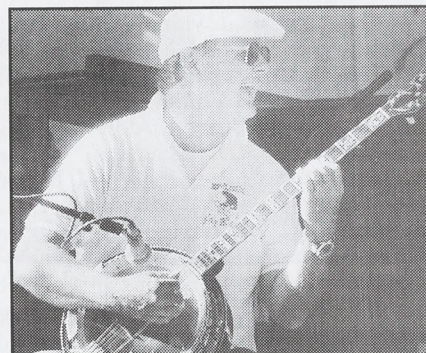

Sometimes you'll find Joe doing a benefit gig at Whiskey Creek, but this weekend you'll find the more traditional Dixieland sounds on stage, upstairs. On Thursday, July 14, at 9 p.m., the **Black Dogs** will rock the house in a "no-badge required" performance. It will be business-as-usual at Mammoth's busiest bar.

Down at Grumpy's, the **Wooden Nickel Jazz Band** makes its first appearance at the Mammoth Lakes Jazz Jubilee with a free performance Thursday, July 14, beginning at 9 p.m.

Then, on Friday night, July 15, four of the Jubilee acts will perform at the Creek in regular Jubilee fashion — in other words, you must wear your Jubilee badge to get in. The tunes begin at 8:30 p.m., so get there early to hear **Temple of Folly**, **Beth Chorneau Fourtet**, **Chicago Six** and **Mike Vax and the Great American Jazz Band**.

That same night, Grumpy's will feature **Chicago Six**, **Fulton Street**, **Blue Street** and the **Black Dogs**. The first set begins at 8:30 p.m.

On Saturday morning, from 9:45 to 11:45 a.m., you can enjoy a Saturday Brunch at Nevados and/or at Matterhorn while listening to the **Banjorama**. Some of the country's finest banjo players will take turns in solo and duet spots, strumming up the action as the crowd gobbles a

Catch Gary Ryan with Mike Vax and the Great American Jazz Band — indoors!

down-home brunch. Both locations will open at 9 a.m. for eye-openers.

Also on Saturday, from 1-6 p.m., **Pianorama** makes its triumphal return to Whiskey Creek. Enjoy some great solo piano work from a lineup of the Jazzdom's best "ticklers of the ivory."

Then, that night, return to the Creek for more great acts — **Blue Street**, **Mardi Gras**, **Fulton Street** and the **Black Dogs**. The first set begins at 8:30 p.m.

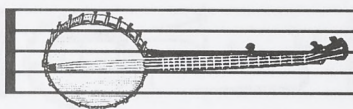

**Chicago Six**, **High Sierra**, **Hot Cotton** and **Mardi Gras** will entertain the crowds at Grumpy's Saturday night, beginning at 8:30 p.m. and going until well after midnight.

On Sunday at Whiskey Creek, three more great acts will perform during their Sunday Brunch, from 10 a.m. to 2 p.m. You can enjoy all of the Creek's brunch delights while listening to the acoustic conditions of **High Sierra Jazz Band**, **Beth Chorneau Fourtet** and **Chicago Six**.

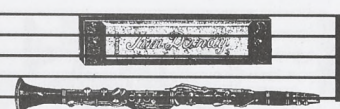

The Good-bye '94 Jubilee party will be the final event of this year's festival with entertainment by the **Black Dogs** at Grumpy's. No badge is required at this closing gala, however early arrivals are suggested because this portion of the Jazz Jubilee has traditionally been extremely well attended. Music begins at 8:30 p.m.

While the spirit of the Mammoth Lakes Jazz Jubilee began six years ago with outdoor sites, the five indoor venues are a must for all Jubilee go-ers.

## Beth Chorneau Fourtet

Charlotte, North Carolina

Beth Chorneau ..... Leader, Vocals  
Ron Brendle ..... Bass  
Gary Marcus ..... Keyboards  
Rick Dior ..... Drums

**Beth Chorneau** began singing in Southern California, where she grew up singing and learning dozens of jazz standards while listening to her father's Sarah Vaughan and Ella Fitzgerald records. She branched out singing in rock and roll bands, and even had a short stint in a country band.

For the last seven years, however, Beth has dedicated her talents exclusively to jazz and has become the premiere jazz vocalist in her hometown of Charlotte, NC.

The band, which has previously performed in Mammoth's Jubilee as a trio, is now a "fourtet." Gary Marcus is a master pianist with a background that includes several years at Disney World and many other East Coast name engagements. Ron Brendle is the most sought after bassist in Charlotte. He not only plays with Beth but two big bands and he plays many other types of music. Rick Dior, Charlotte's hottest drummer, was added to the group during the past year. The group was awarded the honor of being "Best Jazz Band in Charlotte" and Beth the "Top Female Vocalist in Charlotte" last May.

In addition to serving as the house band for the Fresno Dixieland Society, this talented group of university trained musicians operates as two *other* bands as well. "The Archive Bros. This swinging group of musicians has been together for over 10 years, and first started playing as a pickup band to fill in on Friday Dixie-style nights at a north coast music club.

Their distinctive style has as its roots Chicago jazz, which, when they're really cooking, has made them one of the state's most respected swing-Dixie bands. Many of the talented members are veterans of some of the most well-known jazz organizations in the country, including Stan

Kenton, Woody Herman, Muggsy Spanier, Bobby Hackett and Tex Beneke.

Chicago Six plays music with lots of movement, as audiences at the Mammoth Lakes Jazz Jubilee will see in the different performances taking place throughout the weekend.

## Fulton Street

Sacramento, California

Dean Nelson ..... Leader, Cornet, Trumpet, Flugelhorn  
Bob Newman ..... Clarinet, Sax  
Steve Gonsoulin ..... Trombone  
Bob Hirsch ..... Piano  
Roger Krum ..... String Bass  
Vince Bartels ..... Drums

The **Fulton Street Jazz Band** was organized in the early seventies by pianist Bob Ringwald. Originally the band was an informal group that met once a week at a Sacramento pizza parlor to learn and play Dixieland tunes.

The name of the thoroughfare the pizza parlor was located on was of course, Fulton Avenue. How the band became Fulton Street is another story. Reed man Bob Newman, is the only member from that

original "jam" group still with the band.

The band became more formalized in 1974 to play in the Sacramento Jazz Jubilee and is one of three bands to have played every Sacramento Jubilee since then.

Their Chicago-style jazz is in the tradition of Eddie Condon's New York bands of the 40's and 50's. Fulton Street is a delight to listeners and dancers alike.

They always seem to have an abundant surplus of high spirits, along with the kind of honest musicianship that people instantly respond to. The hard-driving, non-stop force of their performance is as bright and invigorating as the High Sierra skies.

Be sure to catch this group of entertaining mountain men.

Kevin Krull .....	Trombone
Joel Kitts .....	Banjo, Mandolin, Fiddle
Gaylon Taylor .....	Guitar
Tim Hunnicutt .....	Drums
John Cieslak .....	Reeds, Trumpet

Famous for their classic Western Swing style, with the addition of traditional New Orleans horns, **Igor's Jazz Cowboys** are once again performing at the Mammoth Lakes Jazz Jubilee. Leader-showman Igor Glenn has revived the almost-lost art of "Slap Bass" and sings in three octaves with high-energy American roots music and new originals. His original songs are both inventive and entertaining.

The band has performed in a PBS television special featuring the group, and their home-state governor proclaimed them "Arizona's Ambassadors of Good Will." Recognized by the Parliament in Canada, Igor's Jazz Cowboys have also performed throughout the U.S. and Mexico, and for the U.S. State Department. They are back—even after the "hanging" of Igor last year by our local "Owen's River Gang." A band not to miss!

## Mardi Gras Band

Sacramento, California

Dick Johnson .....	Leader, Trumpet
Claudette Stone .....	Vocals
Ed Schmalz .....	Reeds
Brad Hammett .....	Trombone
Bob Thompson .....	Piano
Mark Yedinak .....	Drums
Mickey Bennett .....	Bass

The **Mardi Gras Band**, out of Sacramento is a well rehearsed group of pros who understand that entertainment is the bottom line and humor is a big part of entertainment.

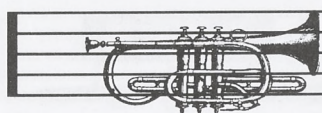

Combining Chicago-style jazz with what is considered a big band sound, the group puts their emphasis on entertainment and musical quality.

The high spot in the show is the wonderful voice of Claudette Stone. A truly great singer by any standard who, along with her great feeling for jazz, is one of the few singers who knows how to sing a beautiful ballad. Her first CD of love songs is due out this year.

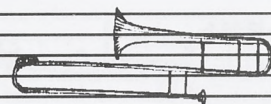

The humor that underlies the Mardi Gras performances is a combined effort of leader Dick Johnson's M.C'ing, piano arranger Bob Thompson's great writing and Claudette's personality. On the musical side, you'll hear great solos from the newest addition, trombonist Brad Hammett, and the oldest member, in terms of years with the band, Ed Schmalz.

All together, Mardi Gras is one class act.

## Mike Vax & the Great American Jazz Band

Pittsburg, California

Philip Smith	Vocals, Clarinet
Max Perkoff	Trombone
Gary Ryan	Banjo
Si Perkoff	Piano
Bill Langlois	String Bass
Tony Johnson	Drums
Cami Thompson	Vocalist

**Mike Vax and the Great American Jazz Band** return to Mammoth Lakes this year with their dynamic and exciting sound and the feel of swinging Dixieland. This band, which is based near San Francisco, has been playing together for over 13 years performing hits over a century old.

Until recently, Vax and his band played jazz that was considered somewhat "controversial." Nowadays, however, audiences and musicians agree that there's a lot more to look for in music than mere repetitive performances. Vax maintains that if the guys in the original New Orleans jazz bands were still playing, they certainly wouldn't be playing, note-for-note and style-for-style, the same way they were a hundred years ago.

As for the rest of the band, we're sure they'll have you agreeing with what Perry Phillips of the *Oakland Tribune* said: "Vax's group is hotter than a pistol!"

Claremont, California

Chet Jaeger	Leader, Cornet
George Olson	Bass
Dick Doner	Trombone
Paul Reid	Piano
Pieter Meijers	Clarinet, Sax
Alida Meijers	Banjo
Larry Kostka	Drums

The **Night Blooming Jazzmen** return to Mammoth with their fresh-sounding jazz and entertaining style. Those familiar with this funny group may have seen them at the Sacramento Dixieland Jubilee, where they first played in 1975 as an *ad hoc* band representing the influential Southern California club, the Society for the Preservation of Dixieland Jazz. Not only was this band asked to return the following year, but they have been performing at the Sacramento Festival ever since.

The band's style ranges from traditional to early swing, with side trips into Sousa marches and gospel music. Leader Chet has a reputation as a very funny, deadpan MC, and the whole band enters in on the hilarious and spontaneous shenanigans. Don't miss this great band in one of their many outstanding performances on the stages of the Mammoth Lakes Jazz Jubilee.

Tom Azarello	Bass
Rod Cradit	Clarinet, Sax

Almost everyone in the band can play more than one instrument, which allows this group to cover the musical gamut—from traditional jazz to swing and modern. The band delights audiences with hot solos, great showmanship and stylistic versatility.

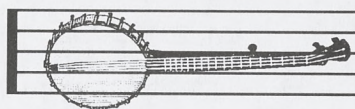

South Market Street banded together in the '60s, where they soon found themselves winners on the Ted Mack Amateur Hour and, later, in a Disneyland contest which named them "the best band in the country under the age of 25."

According to Webster's Ninth New Collegiate Dictionary, savant is defined as "a person with detailed knowledge in some specialized field." In this case of these musical savants, the field is swing.

Virtually every member of **Swing Savant** began his/her professional career as a preteen or teen. Resumes are impressive, including Tom Kubis' winning of the "Ted Mack Amateur Hour" and leader Matt Johnson at the age of 10 beginning formal training competing with a nationally ranked Drum & Bugle Corps.

In 1991, Kubis and Johnson joined forces to create a unique group to perform original arrangement by Kubis that would pay tribute to the pioneers of early jazz while attempting to elevate this unique American art form.

The sound they produce is fresh and contemporary, yet retains the essence of this remarkable music.

Swing Savant has received critical and popular acclaim for its many appearances at both mainstream and traditional jazz festivals. Catch them at their first Mammoth appearance.

Brady McKay ..... Vocals  
Markus Allin ..... Reeds  
John Dijkstra ..... Trumpet  
Bonnie Otto ..... Piano  
Erik Kleven ..... Bass

The **Wooden Nickel Jass Band** is a young band made up of extraordinary musicians specializing in a number of musical disciplines, so don't be surprised if you find their music somewhat eclectic. While they play excellent two-beat and swing, this band doesn't limit itself to those styles. You'll hear some Louisiana swamp-beat, second-line, swing and maybe even a little calypso from this versatile group.

The **Wooden Nickel's** four horn front line lends itself to some interesting musical combinations, from wild, no-holds-barred jams to sweet tight swing lines. Note the hot clarinet playing of 24 year old co-leader Markus Allin - he'll blow you away. He and Jeff Alkire form a tight reed section that makes use of all the available reed instruments.

Co-leader Bob Williams on trombone and John Dijkstra on trumpet and cornet round out one of the most dynamic and disciplines horn lines around.

The rhythm section features the bouncy piano styling of Bonnie Otto and bassist/tubist Erik Kleven forms the foundation of the band. Percussionist and drummer Brian Simpson navigates with perfection and ease.

Finally, the **Wooden Nickel Jass Band** is proud to feature vocalist Brady McKay, a fast-rising star on the Traditional circuit.

The **Wooden Nickel Jass Band** plays regularly at Round Table Pizza in Old Sacramento.
